February 19, 2003  
Wednesday

Dear Sir:

Responsive to the Notice of Abandonment of December 19, 2002, applicants  
request that the Notice of Abandonment be withdrawn for the following reasons:

(1) The Notice of Abandonment indicates that the undersigned attorney informed  
the Examiner during a telephone interview that the above application was abandoned.  
This statement is in error and the undersigned did not so inform the Examiner.

(2) Applicants timely filed a Request for Continued Examination on December 23,  
2002, by which the above application remains pending.

The noted application accordingly has not become abandoned and an indication of same is earnestly solicited.

Respectfully submitted,
